Post Office Drawer N

Sausalito, California 94965

And now for something a little different- our first discount list. Why are we putting out a list with every coin, even our new purchases discounted? Actually, there are really three reasons. First, our business intentions are to sell coins, not to hoard them. Since some items simply find no home at our "asking price", we should greatly increase the possibility that someone will order these pieces by reducing the prices from retail to wholesale. The second reason for this list is that the Davis collection increased the size of our stock past our optimal capacity - we just have too many coins now. Thirdly-and-relatedly, our safe deposit facilities will hold about 2400 coins in envelopes. We presently have at least 3500 coins; we must sell at least 900 and hopefully 1500 between now and December.

This should explain why list #8 is a discount list. Do take advantage of these prices. It will be beneficial to both of us!

P.S. - Sorry but no further discounts can be given.

Marney

POSTAGE AND INSURANCE

We will pay postage and insurance on all domestic U.S. orders received with payment or by telephone. Others will be billed for postage and insurance. Overseas buyers will be billed for postage and \$3.00 registration fee, plus 2% for insurance except: (1) On telephone or telegraph orders we will pay the postage and registration but not the 2% insurance, and (2) Overseas buyers are welcome to save the 2% insurance fee by insuring the parcel themselves and notifying us in advance.

LATIN AMERICAN MINOR COINS

This section containing Latin American minors includes many above average grade specimens and numerous desirable type coins. Nonetheless, in keeping with the spirit of this discount sale, and in order to encourage collectors to extend the present boundaries of their collecting interest, we have decided to reduce every single item a full 25%. This huge discount will insure that we actually lose money on some of these coins. However, if we gain new collectors for various of the countries this present loss will become a long term gain. Due to the fact that many of these items are standard "stock" for us, we must emphasize that these discounts will not be applicable after October 20, 1979. Any orders received after that date will have the prices increased by 33 1/3%.
